

The health and safety of our customers, partners and employees remains our top priority. At IGEL DISRUPT Unite and all other IGEL hosted events, the following health measures will be in place effective immediately. All attendees are required to comply with these measures. Revisions will be made in accordance with guidance from the federal, state, and local requirements.

US Vaccination Required

IGEL DISRUPT Unite has adopted a “Vaccination Required” approach for all attendees, sponsors and IGEL employees attending this event series. In practice, this means all DISRUPT attendees, exhibitors and IGEL employees will have to provide proof of their COVID-19 “full vaccination” at check in to attend any or all the sessions.

For the purposes of right to attend one or all DISRUPT Unite event series, a person is considered fully vaccinated:

- 2 weeks after their second dose in a 2-dose series, such as the Pfizer and Moderna vaccines,
- or
- 2 weeks after a single-dose vaccine, such as Johnson & Johnson’s Janssen vaccine

This guidance applies to COVID-19 vaccines authorized by the U.S. Food and Drug Administration (i.e., Pfizer-BioNTech, Moderna, and Johnson and Johnson (J&J)/Janssen COVID-19 vaccines), and COVID-19 vaccines authorized for emergency use by the World Health Organization (i.e., AstraZeneca/Oxford, Covishield, Sinopharm, and Sinovac), on or before July 26, 2021. The full list of vaccines with final WHO EUL/PQ evaluation status is available [here](#).

If an attendee, exhibitor or IGEL team member does not meet these requirements, they are NOT considered fully vaccinated and will not be permitted to attend the event.

Additionally, DISRUPT Unite recommends all attendees, exhibitors and IGEL staff comply with travel guidelines issued by the CDC when traveling to any of the cities and countries where the events are taking place.

Vaccination verification process

Record of COVID-19 vaccination must be provided at onsite check-in to attend event. Acceptable records include your physical COVID-19 vaccination/immunization card, a photo of the front and back of your vaccination/immunization card, or a digital verification from a smartphone application. The name on your vaccination record must match your government issued ID.

Masks

Masks requirements may vary per city and/or country. Please check the local city and country regulations regarding mask wearing.

A mask is defined by the Centers for Disease Control (CDC) as two or more layers of washable, breathable fabric used to completely cover your nose and mouth and fit snugly against the sides of the face. Attendees may provide their own mask that complies with this guidance, or use a mask provided by IGEL. Face shields, bandannas, and masks with ventilation will not be allowed. Masks may be removed while eating and drinking.

Personal protective equipment

IGEL will make masks available for DISRUPT Unite attendees who need them. Hand sanitizer will be available throughout the event space.
